

Hosting Elite Athletes

The Novant Health Charlotte Marathon (NHCM) is looking for individuals and families to host one or two elite athletes for the weekend of the marathon.

Expectations

To provide a safe and sound area for the elite athlete to stay for the night of Friday, the night before the race, and possibly Thursday and Saturday nights as well. Being able to host for at least two nights is preferred. The athlete(s) should have their own room with a bed for each athlete. There is no expectation of providing athletes with food, but please allow them to use your kitchen if they ask.

Benefits

Hosts will get to meet with elite athletes from around the country. In addition, hosts will also receive a complimentary gift bag from NHCM.

How to apply

Apply to become a host by filling out this [application form](#).

Host Timeline

February 1 - October 15: Host applications accepted [here](#).

October 22 - October 20: Notifications emailed out to.

November 14 - November 17: Host elite athletes.
